

Bracket 1

Bracket 2

The diagram illustrates a flow of information or a sequence of events. It features several entities and a central box. The entities are represented by text blocks, some of which are enclosed in boxes. The central box is a large rectangle containing the text "B7 For Sun Sep 18 5:05pm". Arrows indicate the direction of the flow from the entities to the central box and then to the right.

Entities and their associated information:

- mike ROBINSON** (top left)
- B1 For Sun Sep 18, 1pm** (below Mike Robinson)
- Les SYMMONS** (below B1)
- Mark ADDERLEY** (below Les Symmons)
